\$10,000 Designated Endowment Fund 10% Match

The following may be modified for use in a newsletter, donor appeal letter or other if you **do not yet have a group (or “friends of”) fund** already created at LCF.

Imagine you could make a gift today for (name of your nonprofit or house of worship) that will make an annual grant to us every year for generations.

Thanks to a wonderful offer from Lincoln Community Foundation, you can help make that day a reality. When a donor sets up an endowed fund at the Lincoln Community Foundation for (name of your nonprofit or house of worship) , LCF will provide a 10% match. The match is available on gifts of \$10,000 or more but smaller amounts can be used to set up the fund. A single donor or family can name the fund in honor of their family or loved one. Alternately, a group of donors can come together to create the fund, allowing others to contribute to it.

Your endowed gift will be held and invested prudently at LCF exclusively for the benefit of (name of your nonprofit or house of worship) and each year, (name of your nonprofit or house of worship) will receive a grant from the fund to be used to ensure our continued work for generations to come.

Learn more about this opportunity available now through December 2018 by contacting (name of your staff person and contact info) or by visiting LincolnForever.org to set up a time to talk to a gift planner at Lincoln Community Foundation.
